I went to the animal fair...

This monkey has been annoying animals in the Natural History Gallery. Help the animals below by finding them and answering their questions!

Don’t forget to look upstairs and GOOD LUCK!
Can you cheer up the animals by answering their questions?

Where do I come from?

What kind of animal is my friend with the shiny scales?

How many legs do I have?

What family of birds do I come from?

What are my two special teeth called?

What do I like to climb on?

In what country am I most hunted?
